Profile

Senior Software Support Engineer with expertise in technical coordination, client management, and end-to-end software support. Proven ability in data migration, technical documentation, and cross-functional team leadership. Strong programming proficiency in C, Java, HTML/CSS, and database management with MySQL & PostgreSQL. Hands-on experience with enterprise systems, including Siemens Teamcenter and SAP. Research-driven professional with published work in Blockchain, IoT, and Machine Learning, leveraging cutting-edge technologies to drive innovation. Adept at problem-solving in collaborative environments, optimizing workflows, and delivering scalable technical solutions.

Professional Experience

Senior Software Support Engineer, ***BJIT Limited*** **Dhaka, Bangladesh** *07/2024 - Present*

- Spearheaded end-to-end data migration projects for enterprise clients.
- Managed client relationships and maintained technical documentation.
- Collaborated with cross-functional teams to optimize support operations.

Support Engineer, ***Desh Universal Pvt. Limited*** **Dhaka, Bangladesh** *03/2023 - 06/2024*

- Led a 5-member support team.
- Improved documentation and knowledge-sharing practices.
- Implemented and designed data solutions according to user requirements.

Technical Coordinator, ***BuffaloGrid Limited*** **Dhaka, Bangladesh** *06/2022 - 02/2023*

- Coordinated nationwide technical operations for efficiency.
- Conducted field training sessions for end users.
- Developed operational reports and technical documentation.

Leadership Experience

Student Mentor, ***Dept. of CSE, Green University of Bangladesh*** *01/2020 - 01/2022*

- Mentored 500+ undergraduate students

President, ***Green University Computer Club (GUCC)*** *10/2020 - 12/2022*

- Led a 18-member executive team and organized several events.

Education

MPhil in Computer Science and Engineering, ***Jagannath University, Dhaka*** *2026 - Present*

- **Degree:** Ongoing

MSc in Computer Science and Engineering, ***Jagannath University, Dhaka*** *2023 - 2024*

- **CGPA:** 3.81/4.00
- **Publications:** Conference Paper (02), Review Paper (01)

BSc in Computer Science and Engineering, ***Green University of Bangladesh*** *2018 - 2022*

- **CGPA:** 3.73/4.00
- **Awards:** VC's Award (02), Dean's Award (01)
- **Publications:** Journal Paper (01), Conference Paper (02), Review Paper (01)

Skills

PLM/PDM: Siemens Teamcenter, SAP
Programming: C, Java
Web Development: HTML, CSS, Bootstrap
Databases: MySQL, PostgreSQL
Technical Writing: LaTeX, Research Papers
Office Suite: Word, PowerPoint, Excel
Soft Skills: Time Management, Adaptability, Leadership, Teamwork, Event Management
